*A "child" or "U-18" is defined as a person under 18 years of age.*

*A "vulnerable adult" or "VA" is defined as a person of 18 years of age or over but who requires a higher level of supervision than normal.*

#### POLICY

The ElyMAC aims to ensure that children and vulnerable adults during their contact with the Club are treated correctly and that club members are protected from misunderstandings and inappropriate accusations. The child's or vulnerable adult's welfare is the prime consideration - he/she must be protected from harm and be treated with respect.

#### RULES

1. Before an U-18 or VA is accepted for membership their parent, guardian or person normally responsible for their care must have agreed in writing to these club rules.
  2. An U-18 or VA must always be accompanied on site by a parent or guardian or by a responsible adult nominated in writing by the parent or guardian.
  3. This parent or guardian or other responsible person is responsible for the general welfare and behaviour of the child or VA while on site. Club members should not accept such responsibility and should not provide unaccompanied transport.
  4. Club instructors are encouraged to have CRB clearance. Except in emergency, training should be non-contact.
  5. No member shall publish photographs of junior members together with their names in the club media (eg newsletter or web site) without their parent's permission. Contact details must not be disclosed.
  6. Where an U-18 or VA who is not a club member is on site (eg dog walker, member of flier's family) these rules must be followed as far as is practicable.
  7. If any club member or the parent/guardian or responsible person has concerns about possible abuse occurring in the club, they should bring it to the attention of a club officer.
